Gameplay Guidelines

- 4-pitch limit per at-bat (3 pitches + 1 foul ball). Failure to put the ball in play = automatic out after 4th pitch.
- Players pitch to their own teammates.(reasonable pitch arc must be used; not too flat)
- Ball size: 12” softball
- HR’s: 3-3 progressive rule applies. Automatic out if rule broken
- Women’s Boost Option: Female players may apply a “boost factor” to increase exit velocity. Boost helps ground balls get through the infield faster and fly balls travel farther. AI defense reacts quickly and jumps!
